**THE CRIMINAL MIND**

Definition: A criminal is one who is motivated by evil intentions and who has committed so many harmful overt acts that he considers such activities ordinary.

There is a datum of value in detecting overts and withholds in criminal individuals:

**THE CRIMINAL ACCUSES OTHERS OF THINGS WHICH HE HIMSELF IS DOING.**

As an example, the psychiatrist accuses others engaged in mental practice of harming others or worsening their condition, yet the majority of psychiatrists maim and kill their patients and, by record, in all history have only worsened mental conditions. After all, that's what they seem to be paid to do by the government.

The psychologist accuses others of misrepresenting what they do and lobbies in legislature continually to outlaw others on the accusation of misrepresenting but there is no psychologist who doesn't know that he himself is a fake, can accomplish nothing of value and that his certificates aren't even worth the printing ink. The psychologist goes further: He educates little children in all the schools to believe all men are soulless animals and criminals so that when the possible day of reckoning comes and the psychologist is exposed for what he is, the population will not be the least bit surprised and will consider the psychologist is "normal."

The psychologist accuses others of sexual irregularities when this is, actually, his entire profession.

The FBI acts like a terrorist group posing as law enforcement officers. Their targets seem to be legislators and Congress and public individuals who might someday have power over public opinion, such as Martin Luther King, Jr.

From all this we get another datum:

THE CRIMINAL MIND RELENTLESSLY SEEKS TO DESTROY ANYONE IT IMAGINES MIGHT EXPOSE IT.

Doctors, psychologists, psychiatrists and the government form a tight clique. Only the government would support such people as the public hates them.

From all this we get another datum:

**INDIVIDUALS WITH CRIMINAL MINDS TEND TO BAND TOGETHER SINCE THE PRESENCE OF OTHER CRIMINALS ABOUT THEM TENDS TO PROVE THEIR OWN DISTORTED IDEAS OF MAN IN GENERAL.**

Groups like psychologists who declare as fact that all men are criminals are of course just dramatizing their own inclinations.

People assume that others have their own case. The psychologist pushes his own case off on the whole world.

THE CRIMINAL ONLY SEES OTHERS AS HE HIMSELF IS.

One of the reasons he does this, of course, is to justify injuring others. Because everyone else is useless, worthless, criminal, an animal and insane, why then, he reasons, it is perfectly all right to injure them.

Thus, we come to another datum:

THE CRIMINAL IS NOT MUCH BENEFITED BY THE GIVING OFF OF CURRENT WITHHOLDS AND IS NOT LIKELY TO REFORM BECAUSE OF THIS.

The criminal mind is a bitter and unsavory subject. The percentage of criminals is relatively small but the majority of grief and turmoil in the world caused by criminals is a majority percent. Thus, the criminal mind is a subject one cannot avoid in research as it is a major factor in the distortion of a culture.

It is a mind like any other mind but it has gone wrong. It is motivated by evil intentions which, even if idiotic, are greater than the possessor's ability to reason. The criminal, even when he seems most clever, is really very, very stupid. The evil intentions get dramatized by senseless overt acts which are then withheld, and the final result is a person who is more dead than alive and who faces a future so agonizing that any person would shudder at it. The criminal, in fact,

has forfeited his life and any meaning to it even when he remains “uncaught” and “unpunished,” for in the long run, he has caught himself and punishes himself for all eternity. No common judge can give a sentence as stiff as that. They know down deep that this is true and that is why they scream with such ferocity that men have no souls. They can't confront the smallest part of what awaits them.
