The basic principle of handle or disconnect exists in any group and ours is no different.

It is much like trying to deal with a criminal. If he will not handle, the society resorts to the only other solution: It “disconnects” the criminal from the society. In other words, they remove the guy from society and put him in a prison because he won't HANDLE his problem or otherwise cease to commit criminal acts against others.

Earlier, disconnection as a condition was cancelled. It had been abused by a few individuals who'd failed to handle situations which could have been handled and who lazily or criminally disconnected, thereby creating situations even worse than the original because it was the wrong action.

Secondly, there were those who could survive only by living on our lines—they wanted to continue to be connected to Scientologists (see the HCOBs on the characteristics of an SP). Thus, they screamed to high heaven if anyone dared to apply the tech of “handle or disconnect.”

This put Scientologists at a disadvantage.

Therefore, the tech of disconnection is hereby restored to use, in the hands of those persons thoroughly and standardly trained in PTS/SP tech.

WHEN DISCONNECTION IS USED

An Ethics Officer can encounter a situation where someone is factually connected to a suppressive person, in present time. This is a person whose normal operating basis is one of making others smaller, less able, less powerful. He does not want anyone to get better, at all.

In truth, an SP is absolutely, completely terrified of anyone becoming more powerful.

To fail or refuse to disconnect from a suppressive person not only denies the PTS case gain, it is also *supportive* of the suppressive—in itself a Suppressive Act. And it must be so labeled. (Ref: HCO PL 23 Dec. 65RA, SUPPRESSIVE ACTS, SUPPRESSION OF SCIENTOLOGY AND SCIENTOLOGISTS)
